

VIRTUAL IS THE NEW NORMAL.

Are you using all the tools at your disposal?

IT'S TIME TO THINK DIFFERENTLY.

THE PROBLEM

As the world changes and new challenges force us to adapt, we need to learn how to connect with each other in new ways — especially when we're not in the same room.

YOU DON'T HAVE TO DO IT ALONE.

Feeling overwhelmed by the transition to online?
Still learning what virtual has to offer?
Getting tired of managing it all yourself?

UNLOCK THE POTENTIAL OF VIRTUAL.

Learn how to connect with your audience using every advantage that virtual event management provides.

No matter what virtual platform you're using, get the support you need with Team MindShift.

OUR SOLUTIONS

We're a team of Educators, Technologists, Engineers, and Data Scientists with decades of successful experience in teaching complex technological concepts to learners of all different comfort levels.

VIRTUALIZATION CONSULTING

You're already an expert in what makes your event work in person. Our expertise is in helping you bring your best tactics to the ideal online platform. Together, we can virtualize everything that makes your event special.

EVENT DESIGN

Need help imagining the possibilities of a virtual event? Get access to our best practices and successful strategies for creating a virtual event that looks beautiful and feels engaging.

TECH STAGE MANAGEMENT

During your event, we will be behind the scenes for every second. Our live support takes the technical pressure off of you, so that you can focus on your performance.

We work with Zoom, Google Meet, Hopin and other video conferencing packages to make your events successful and worry-free.
